## PARENT AND PAYMENT CONTRACT

In applying for admission of my child/children to Empower Christian Academy, I agree to the following: My child will be taught according to the faith promulgated by the Empower Church. A Statement of Faith of Empower Church is attached to this document. Adherence in lifestyle to this Statement of Faith is an inherent requirement of enrolment. I also take note of the fact that the medium of tuition at ECA (home language) is English. The first additional language offered at ECA is Afrikaans.

In order for ECA to administer the finances of the school effectively the **SCHOOL FEE POLICY** is as follows:

PROMPT PAYMENT of school fees is essential for efficient tuition of the learners, administration of the school and assists us in keeping the fees as reasonable as possible.

- The standard school fee and aftercare fee payment terms require that fees are paid in advance by the 1<sup>st</sup> day of each month over a full 12-month cycle. Overdue amounts will result in a late payment penalty of 7% being added to the school fees account and should this late payment tendency persist then it will lead to the termination of your child's enrolment in the school. Should school fees for the month not be paid by the 7<sup>th</sup> of the month then the annual school fees will immediately become due and payable.
- The school utilises the services of a credit bureau and the parents' payment behaviour and patterns will be loaded on the credit bureau platform on a monthly basis. Please note that negative payment patterns (non-payment, late payment and partial payments) will have an adverse effect on your credit profile and paying on time and in full will ensure that a positive profile is maintained. Please take note that the services provided by the credit bureau will be utilized if non-payment persists. These services include default listing of a non-payer.

### SCHOOL FEE ACCOUNT PROCEDURE:

- Statements are sent out on the 15<sup>th</sup> of every month for the following month. On the 25<sup>th</sup> of the month you will receive a reminder via SMS that your school fees are due. If school fees are not paid by the 1<sup>st</sup> of the month, a late payment penalty will be added to your account. You may then receive an email with the updated statement and a phone call from the office to enquire your reason for not paying school fees.
- Please email proof of any additional EFT payments for any other transactions to [finance@empoweracademy.co.za](mailto:finance@empoweracademy.co.za) or contact the school office for any queries.

- **Fees for 2026 are payable as follows:**

- a) Preschool R 2200.00 p/month (Toddlers to Grade 00 – (this amount includes aftercare).
- b) Foundation Phase R 4300.00 p/month (from Grade R to Grade 3) – (this amount excludes aftercare)
- c) Intermediate Phase R 4550.00 p/month (Grade 4 to 7). – (this amount excludes aftercare)
- d) Primary School Aftercare R1000.00 p/month.

- Payments can be made into the school account and proof of payment provided to the school:

**Bank Name: ABSA Pretoria North    Account Name: ECA Education**

**Account No: 930 754 5552                      Reference: Child's Initials and Surname**

The school will provide you with your family reference number, once your child is admitted.

- The annual school fee amount is spread over **12 months** for your convenience, therefore, please pay promptly during the holiday periods as well.
- A once-off R450.00 non-refundable administrative fee per learner is payable with this application / registration.
- Parents sign re-enrolment forms towards the end of the year, each year indicating their commitment to the school for the following year. Together with this, a non-refundable re-enrolment amount of R800.00 if your child is in the Primary School and R500.00 if the child is in the Preschool becomes due. This amount is payable at the latest by 30 September each year.
- ECA aftercare does not function during school holidays; alternative arrangements need to be made for your child.
- If any school fees, and penalties are outstanding as of 1 December in any year, then:
  - a) The child's enrolment at the school for the following year will be terminated; and
  - b) The parent has signed an Acknowledgement of Debt and agreed upon a payment arrangement/plan with the school.
  - c) **If you wish to transfer your child from the school for any reason, please note that a ONE CALENDAR MONTH NOTICE IS REQUIRED IN WRITING. (Telephonic or verbal arrangements will not be considered).**

- d) The written notice must be submitted by the last day of a month and school fees for the notice month following would be payable in full, even if the child does not complete the month in the school.
- e) School records will be forwarded to the new school as soon as the parent has signed an Acknowledgement of Debt and agreed upon a payment arrangement/plan with the school.
- All learners receive a probation period of three (3) months in the school. Should their behaviour, academics or finances not be compatible with the standard of ECA, unfortunately their space in the school will be terminated.
- I also give permission for ECA to obtain information from their selected registered credit bureau in order to assess my current existing credit profile, and the outcomes would be taken into consideration during my application and review process. Should my application at ECA be successful, then ECA will in return also provide information about my school fees payment pattern and my whereabouts to the particular registered credit bureau of my positive credit profile update, which will be accessible to my advantage to other potential credit providers seeking a reference.
- The parent chooses his/her email address for the service of all notices, processes and other communications. All legal documents may be served at the address appearing in this enrolment form.
- **The school must be notified in writing of any change to the parent's chosen address with no more than 14 days after such change.**

#### **Applicable legislation**

- The laws of the Republic of South Africa will be applicable to this agreement.
- In the event of any action being instituted by the School against the Parent for any reason or for any amount due in terms of the Agreement and being successful with such action the Parent and the Third Party hereby agree to pay the school's legal fees on an Attorney and Client scale, including collection commission, tracing fees and any other applicable factors such as disbursements.

- Any dispute, difference of opinion, or claim based on a liquid claim or document arising from or related to this agreement will be resolved through arbitration. The dispute, difference of opinion, or claim will be submitted to the "Online Arbitration Centre," which will appoint an arbiter to resolve it in accordance with the Online Arbitration Centre Rules, available at [www.onlinearbitration.co.za](http://www.onlinearbitration.co.za). Any judgment passed by the Online Arbitration Centre is final and binding on the parties, and no party will have the right to appeal against the judgment. Any order by the arbiter of the Online Arbitration Centre is fully enforceable by any court with the necessary jurisdiction.
- **Cancellation Clause, and Process for Cancellation**
  1. The contract can only be cancelled by the School for a fair reason, and in accordance with a fair and determinable procedure. In this regard, the following:
    - 1.1 When the School contemplates cancelling the contract, it must:
      - 1.1.1 Give the parent/s or guardian/s:
        - 1.1.1.1. reasonable written notice of its reason/s for wanting to invoke the cancellation clause; and
        - 1.1.1.2. an opportunity to make written (or where appropriate, and in the School's discretion, oral) representations on the best interest of the child/ren; and
      - 1.1.2 Consider whether participation and / or input should be invited from any other person / persons, including but not limited to a teacher, school counsellor, psychologist, and / or (where possible and appropriate, either in person or through representative) the child him- / herself; before any final decision is made and written notice of cancellation (including the reasons therefore) is given.
    2. In the event of an internal hearing, legal representation is not generally allowed, but can be granted upon application to, and in the discretion of, the person/s presiding over the hearing.
    3. In any decision affecting the rights of the child (including possible termination of the contract), the best interests of the child will enjoy paramount importance (that means, receive due consideration). This is a balancing exercise, to be undertaken in light of all the relevant circumstances.
    4. If, after following the above process, a decision is made to cancel the contract, a full month's notice (or whatever the school's policy is) shall be given – except in exceptional circumstances where a shorter notice period (including immediate termination on grounds of material breach of the Contract) is reasonably justifiable.
    5. The refund of any pre-paid fees will be treated the same, in other words, a full month will be allowed to action the refund of any pre-paid school fees / aftercare fees. No other monies will be refunded, e.g. School trips, fundays, etc.

6. Note that the above clause (giving the school the right to cancel the contract) is in addition to the clause in the contract which gives parents the right to cancel the contract and stipulates the terms on which that can be done, which falls outside the scope of this memorandum.

- **I have read and understood the School Fee Policy and agree to pay my account as specified, one month in advance.**

## **EXTRACT FROM ECA DISCIPLINE POLICY**

### Discipline:

A disciplined environment is essential for effective learning to take place. (Serious misdemeanours or persistent infringements of school rules will require the parent to make alternative plans for the learner's education.)

### Level one:

The learner will start each day with a clean slate and be given the opportunity to behave themselves and receive a 'star', or not behave and receive 'consequences'. The consequences for bad behaviour, at this level, is either to sit time out in the teacher's class or break detention.

### Level two:

After a learner has sat break detention three times, the parent will be notified that their child will need to sit detention after school on a Friday.

### Level three:

If misbehaviour continues the learner will be taken to the HOD. Depending on the seriousness of the matter, the HOD will use his/her discretion to either address the matter or contact the parents for a meeting. If a learner has sat detention for three Friday afternoons in a term, the parents will be called in for an intervention meeting. HOD and parents will agree on a course of action to be followed.

### Level four:

If misbehaviour continues, the HOD will report the matter to the Principal. Depending on the seriousness of the matter, the Principal will use his/her discretion to either address the matter or contact the parents for a meeting. The Principal and parents will agree on a course of action to be followed. At this point the learner may be suspended for a day or three.

### Level five:

If the above steps have not resolved the matter addressed, the matter may be escalated to the School Executive Board and result in expulsion.

### Forbidden Articles at the School

- Dangerous objects such as matches, cigarette lighters, knives, ammunition, weapons, elastic, fireworks, etc
- Cell phones, earphones, tablets and speakers
- Pets
- Alcoholic beverages, cigarettes, drugs or pornography
- Valuable articles brought to school are done so at own risk
- Articles that do not reflect the values of our school, like certain card games, etc

Consequences:

The article will be removed, and the parents contacted. This could lead to suspension of the learner for one to three days and ultimately expulsion.

Reasons for suspension:

Disrespect or abuse of a member of staff will lead to a written warning and immediate suspension of a minimum of one day and maximum of three days depending on the severity of the incidence.

Continual bullying of another learner will lead to a written warning, which may include suspension of a minimum of one day and maximum of three days depending on the severity of the incidence.

Continual misbehaviour and disrupting of the class, thus creating an environment where learning cannot take place, will lead to a written warning, which may include suspension of a minimum of one day and maximum of three days depending on the severity of the incidence.

Forbidden articles, such as cigarettes, alcohol, drugs, pornography or dangerous weapons will lead to a written warning and immediate suspension or expulsion.

**I hereby confirm that I have read, and I agree to the above-mentioned Empower Christian Academy Extract of the Discipline Policy. I also agree that my child will be held responsible to adhere to the all-inclusive Discipline Policy as stipulated by Empower Christian Academy:**

## **EXTRACT FROM ECA HEALTH AND SAFETY POLICY**

We would like to bring the following to your attention with regards to the administration of medicine. If your child needs to be given medicine at school, please note the following procedure:

- No medicine will be administered at school.
- If your child is brought to school by someone else, please ensure that the person responsible for bringing your child to school knows and uses the above-mentioned procedure.

### **Severe allergies and asthma**

1. Emergency medicines for individual learners are kept with the teacher, e.g. asthma pumps or allergy injections.
2. Notifications of any severe allergies, asthma or any life-threatening illness must be posted in the classroom of the learner or staff member and in the school kitchen. This notification must include emergency procedures to be followed as well as medication to be administered immediately.

### **Illness that gives cause for learners to be kept at home**

If the teacher notices that a learner is not well enough to be at school, the learner will be taken to the school office. Parents will then be contacted and asked to take the learner home.

Criteria for phoning parents to come and collect their child:

- The learner has a fever
- The learner cannot cope with the daily routine
- The learner is vomiting and has diarrhoea
- The learner has a cough with phlegm and nose with thick mucus

Criteria for learners to be kept at home:

1. A learner who ran a temperature during the night must remain home the following day.
2. A learner who has been vomiting and/or has diarrhoea should remain at home for at least one day until all symptoms have disappeared.
3. If a learner has a nose with thick mucus and/or a cough with lots of phlegm, they should not be at school.

4. Learners may not come to school with nits or lice. A learner who has nits or lice, may only return to school once a full treatment has been carried out and all visible signs of nits and lice have been removed.
5. Conjunctivitis (pink eye) is also very contagious, and the eyes must have been treated, have no discharge and must no longer be pink before the learner may return to school.
6. Chicken Pox is contagious until all the spots have dried up and no new spots have occurred for two days. This usually takes about two weeks, but with a clearance certificate from a doctor, a learner may return earlier than the stated two weeks, provided all the pox have dried completely.
7. Any unexplained rashes must be diagnosed by a doctor before a learner is sent to school. Some rashes may be allergic reactions, but others may be contagious.
8. Ringworm must be treated with an anti-fungal ointment as well as medication should the ringworm persist. The affected area must be covered if the learner attends school.
9. Impetigo must be treated by a doctor with antibiotics and must covered should a learner return to school, as it is highly contagious.

**I hereby confirm that I have read, and I agree to the above-mentioned Empower Christian Academy Extract of the Health and Safety Policy. I also agree that I will adhere to the all-inclusive Health and Safety Policy as stipulated by Empower Christian Academy:**

## **EMPOWER CHURCH**

### **STATEMENT OF FAITH EC/ECA**

**The programs and activities governing the form of worship of EMPOWER CHURCH shall be based upon and at all times be consistent with the following creed and beliefs:**

We believe the scriptures of the Old and New Testament in their original writing as fully inspired of God and accept them as the supreme and final authority for faith and life.

We believe in one God, eternally existing in three persons- Father, Son and Holy Spirit.

We believe that Jesus Christ was begotten of the Father, conceived by the Holy Spirit and is truly God and truly man.

We believe that God created man in His own image; that man sinned and thereby incurred the penalty of sin which is death, physically and spiritually; that all human beings inherit a sinful nature which issues (in the case of those who reach moral responsibility) in actual transgression involving personal guilt.

We believe that the Lord Jesus Christ died for our sins - a substitution sacrifice according to the Scriptures - and that all who believe in Him are justified on the grounds of His shed blood.

We believe in the bodily resurrection of the Lord Jesus, His ascension into Heaven, and His present life as our High Priest and Advocate.

We believe in the personal return of the Lord Jesus Christ.

We believe that all who repent of their sin and receive the Lord Jesus Christ by faith are born again of the Holy Spirit and thereby become children of God.

We believe that those who are born again children of God will live a life of moral uprightness according to the Word of God.

We believe in the baptism in the Holy Spirit, empowering and equipping believers for service, with the accompanying supernatural gifts of the Holy Spirit and in fellowship with the Holy Spirit. We believe in the divinely ordained ministries of Apostle, Prophet, Evangelist, Pastor and Teacher.

We believe in the resurrection of both the just and the unjust, the eternal blessedness of the redeemed and the eternal banishment of those who have rejected the offer of salvation.

We believe that elders carry the responsibility for the oversight and care of the staff and the members. Where necessary, elders must carry out biblical discipline for the protection of the local church.

We believe that one true Church is the whole company of those who have been redeemed by Jesus Christ and regenerated by the Holy Spirit; that the local churches on earth should form their character according to this concept of the Church universal and therefore, that the new birth and personal confession of Christ are essential requirements for Church membership.

We believe that the Lord Jesus Christ appointed two ordinances – Baptism in water and the Lord’s Supper – to be observed as acts of obedience and as perpetual witnesses to the cardinal facts of the Christian faith; that Baptism is the immersion of the believer in water as a confession of identification with Christ in burial and resurrection, and that the Lord’s Supper is the partaking of the emblems symbolically of the Savior’s broken body and shed blood, in remembrance of His sacrificial death until He returns.

We believe that divine healing was provided for in the Old Testament and is an integral part of the Gospel.

We believe the Bible teaches that without holiness no man can see the Lord. We believe the doctrine of sanctification as a definite yet progressive work of grace, commencing at the time of the new birth and continuing until the consummation of salvation.

We believe in the principle of heterosexual relationships between a natural man and a natural woman within the confines of lawful matrimony. Any other form of sexual activity is forbidden by God.

The church is open to any further truth that the Holy Spirit may illuminate from the Scriptures.
